Reviewer Top Pick: The author has really found the perfect balance in creating this series. . . each installment has had a satisfying conclusion with just hint of more come. My only complaint is that next book isnt out yet. -- Night Owl Reviews  
How far would you go to save the ones you love Having successfully hidden her abilities from humans for two hundred years, Briet applies her Guardian gifts to help patients in need. Until she meets her human soul mate, Jason Ballard, who holds the reins to Briets patients cancer protocol. Can she trust a man all too human and grounded in his world to understand hers Yet, when a deadly threat targets her patients, he is the only one she trusts to help stop an evil that only the Guardians can fight. Rules delineate every facet of Jasons professional and personal life. The last thing he expects is to find temptation in the new spitfire doctor on his latest test team. Especially as she starts stirring up issues. Dangerous issues. Issues flagging jeopardy for the lives of the children in the test. Issues his employer, would prefer be ignored. Honor forces Jason to walk a dangerous line between job and conscience as he joins with Briet to ferret out the twisted scheme in time to save her patients. In a final life-altering decision, he will risk every careful plan hes ever made for the woman he values more than life itself. THE GUARDIANS OF EDEN: A race of beings created in a Sanctum at the far edge of Eden....
