

Reading, Writing, Recycling: The 3rs for the Busy Student: How to Write Papers That Won t Take All Day When You Don t Have the Time to Throw Away

By Jules Medeiros

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Need a better way to write academic papers? This book is for. Any student (young or old) that must balance their focus on numerous obligations, including family, other courses, work, and simply life, in general! Anyone who wants to complete their papers in the most expedient way possible. Anyone who has difficulty focusing or organizing and needs a method for exceptional papers Anyone who just wants to get an A !! This guide is written in two parts. The first part discusses an efficient way to write your paper from scratch. In other words, this is a concise, well-organized format to follow for writing your own papers in an all-original way from the very choice of the topic until the final formatting for submission. This is great for anyone that needs help focusing, organizing, or simply needs a fool-proof model to follow to get the job done. This is followed by the second segment, which provides tips on how to recycle. Recycling means finding an exceptional paper on your topic and quickly making it your...
