Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: Spanish . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This guide concentrates on familiarizing Spanish-speaking test-takers with Tier Two vocabulary words that students need to understand to perform well on the SAT . While there is no certainty which words will appear on the SAT, a familiarity with these words will help a student on the test by allowing him or her to read more fluidly and accurately. Some of these words also apply to the math section. Each word is defined in simple rather than complicated terms so that most students can understand it, and, as most of the words on the new SAT must be defined in context, the word is also shown in the context of a sentence or short passage. The text is in Spanish, and each main vocabulary word is translated into English.
