Reviews

This publication is fantastic. It is one of the most amazing publication i have got study. I am just pleased to explain how this is actually the best pdf i have got read through in my individual lifestyle and could be he finest publication for possibly.

(Mr. Kristoffer Hills)

KIERKEGAARD EN 90 MINUTOS

Siglo XXI de España Editores, S.A., 2014. soft. Book Condition: New. Kierkegaard no fue realmente filósofo en un sentido académico y, sin embargo, produjo lo que mucha gente espera de la filosofía. No escribió acerca del mundo, sino sobre la vida, sobre cómo la vivimos y cómo la elegimos. Su objeto de estudio es el individuo y la existencia del mismo: «el ser existente». Para Kierkegaard, esta entidad puramente subjetiva está más allá del alcance de la razón, la lógica, los sistemas filosóficos, la teología; más allá incluso de las «pretensiones de la psicología». Sin embargo, este ser es la fuente de todas estas materias. La rama de la filosofía a la que Kierkegaard hizo nacer acabaría siendo conocida como existencialismo. En Kierkegaard en 90 minutos, Paul Strathern expone de manera clara y concisa la vida e ideas del influyente pensador danés. El libro incluye una selección de escritos de Kierkegaard, una breve lista de lecturas sugeridas para aquellos que deseen profundizar en su pensamiento y cronologías que sitúan a Kierkegaard en su época y en una sinopsis más amplia de la filosofía. «90 minutos» es una colección compuesta por breves e iluminadoras introducciones a los más destacados filósofos, científicos y pensadores de todos los tiempos. De lectura amena y accesible, permiten a cualquier lector interesado adentrarse tanto en el pensamiento y los descubrimientos de cada figura analizada como en su influencia posterior en el curso de la historia.
