Lost on the Road to Nowhere is a family-friendly adventure, recommended for anyone ages 8 and up. In this fast-paced story, four children are stranded all alone in the North Carolina wilderness. They face an untold number of miles of deserted road between them and the medical help they desperately need to find for their parents, who have been badly injured in a wreck on Christmas Eve. As the three brothers and their baby sister climb out of that wrecked car, leave their trapped parents behind and begin an unforgettable journey, they must rely on one another more than they ever have before. They must plan together. They must improvise when they encounter dangerous bears, nightfall and a mysterious old woman. With snow on the ground and time running out, the four children must find a way off the road to nowhere if they are going to rescue their parents - and save themselves.
