Georgetown University Press, United States, 2010. DVD-ROM. Book Condition: New. 190 x 135 mm. Language: Spanish . Brand New Book. Teaching Spanish Grammar with Pictures is a valuable tool for teachers looking for a way to show students how grammar produces meaning. It makes available in a digital format the full set of 406 posters designed by William Bull to illustrate grammatical contrasts in Spanish. This reissue of Bull s classic posters on DVD-ROM provides versatile JPEG and PDF images of all the posters to easily incorporate into Power Point presentations and worksheets. It includes an instructor s manual on the disk that presents background on the materials, explains the concepts behind the images, and offers suggestions for ways to use them in the classroom.
