Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Speaking and Writing English: A Course of Study for the Eight Grades of the Elementary School, With Practical Suggestions for Teaching Composition and a Full Set of Composition Standards This Course of Study was originally published in pamphlet form, under the present title, for use in the public schools of Lawrence, Massachusetts. The first edition was printed in October, 1915. So great a demand for the book followed that a second and a third edition were exhausted within a little over a year from the date of the first appearance. The publication of the work in regular book form is in response to a persistent demand for the Course from superintendents and teachers who have urged that it be made permanently available for their use. Several new chapters have been added to Part One in the present edition. These, for the most part, are taken from the author's Suggestions for the Improvement of Written Composition, published privately in January, 1917. Careful revision of other parts of the work has been made, wherever the results of the thorough trial of the plan in Lawrence have seemed to justify it. In the work of the primary grades considerable new material of practical value to teachers has been inserted. The number of illustrative compositions has been considerably increased. The grade standards are made to conform to the results of the author's continued first-hand study of children's capacity for growth in oral and written expression under this scheme of composition work. These changes mark no departure from the original aim and method of the plan. They merely serve to make both clearer to the teacher. In...
