Summary: Praise for How to Believe in God "I learned a lot from How to Believe in God, which presents new and thought-provoking analyses of familiar scriptures." Jimmy Carter "How to Believe in God (Whether You Believe in Religion or Not) is a timely, beautifully crafted book. It's especially relevant for Western seekers on either side of the biblical divide. For practicing Christians and Jews, the book will bring a stunning freshness to their understanding of the Bible. For those who have overlooked (or even rejected) the gospel of the Old and New Testaments, How to Believe in God will open hearts and minds to the profound treasures found within the Bible's parables and lessons. And for those who have been trying to fill 'the God-shaped hole' with anything but religion, this book will be food for the soul without the dogmatic calories!" Elizabeth Lesser, author of *Broken Open: How Difficult Times Can Help Us Grow* and cofounder of the Omega Institute "In How to Believe in God, Clark Strand turns humanity's perpetual collective conflict over which religious text is the right one into the very key to enter life's deepest mystery. Alan Weisman, author of *The World Without Us* "You do not need to 'believe in God' to be able to experience God, and Clark Strand lets you know why in this courageous and honest book. This book could lay a new foundation for the reform of Christianity." Richard...
