Vox Nova. Paperback. Book Condition: New. Paperback. 316 pages. Dimensions: 8.2in. x 5.0in. x 0.9in. We, Monsters by Zarina Zabrisky is the kind of unapologetic, visceral novel that explores the tenuous boundary between literature and reader exploitation. . . . the brutal subject matter is leavened with emotion, humor, and an honest exploration of female sexuality. Much like *Lolita*. . . slyly funny and richly characterized. As with her short story collection *Iron*, the brutality and urgency of the subject matter is presented in flights of gorgeous prose. --*Guernica Daily Literary* crumb trails appear and then dry up as Zabrisky, playing a great cat and mouse game, with a wink, slyly shuts the door on the discerning reader. . . a story that will stick with the reader long after finishing it. *We, Monsters* is a stunning force of a debut novel. --*Red Fez*. . . the literary equivalent of a Jackson Pollack painting: a multi-layered, amazing, and seductive mess. . . the realm of Art. --*Al-Khemia Poetica* . . . a refreshing feeling, to know that such great characters are still being written and handled this expertly by contemporary authors. . . --*Up the Stairs Quarterly*. . . this is not a book about either murder or analysis, not about the rote realities of dominatrix work, but about what Freud offers in the manner of Artaud, an enactment, fairy tales as hyperbolic truths, nightmares as myths of origin. . . agony, ecstasy, and enactment, the experience itself, the plague itself. Which we all need. --*decomp literary magazine* In addition to subtly and seductively posing questions of identity, Zabriskys writing teases the mind, gently stroking the most erogenous of all zones--the brain. . . Writing sex in this way takes thoughtfulness, dexterity, and a command of the craft. . .
