When Author Sally Thibault s son David was diagnosed with Asperger s Syndrome, an Autism Spectrum disorder, in 1997, it was the beginning of a long, painful struggle. Now in her new book David s Gift, Asperger s Syndrome, Life Love - One Family s Inspirational Journey from Diagnosis to Graduation, Sally tells the story of how her son went from being a sad, lonely, bullied 15 year old boy who dropped out of school in Grade 10 to now living life as a confident, articulate University graduate, who has traveled extensively and now in a living in a loving relationship. If somebody had told me a decade ago that this is where our life would be now. I would never have believed them! said Sally. There was a time when I truly believed that we had no options. Now I can look back on that time and see exactly how the strategies we put into place created the success. Eloquently written with raw truth and honesty this real life story confronts the truth about understanding non-judgment and a child with a difference. Sally s exploration of the day to day struggles faced by parents of a child with Asperger s Syndrome is insightful and candid. Its a story about a special boy and his extraordinary parents, who move from wishing to make their son normal to recognizing his unique difference and personality. It s a love story about a son and a family and a very special mother who helped David take his first steps towards a less fearful, more connected life. Already being touted as a must read for all parents, teachers and health care professionals,....
