

## Master Electrician's Review: Based on the National Electrical Code: 2011 (7th Revised edition)

By Richard Loyd

Cengage Learning, Inc. Paperback. Book Condition: new. BRAND NEW, Master Electrician's Review: Based on the National Electrical Code: 2011 (7th Revised edition), Richard Loyd, Get your students on the fast track to becoming licensed master electricians with this must-have book that combines realistic practice questions, in-depth answers, and conceptual background information to form the perfect exam review resource! Expanded and updated to reflect the 2011 edition of the National Electrical Code(R), the book takes on the same clear, straightforward approach that made previous editions so popular. It engages students by inviting them to examine specific topics on the master electrician licensing exam in detail - from general wiring methods and branch circuits, to special conditions and communications systems. Although broad in scope, content is concise and to-the-point, so your students will never feel lost or overwhelmed. Additional updates to this 7th edition include more detailed explanations of the answers to practice questions, providing for a better understanding of the subject. Whether your students need an all-in-one exam preparation guide or simply a convenient reference that can be used to solve the challenges of today's most complex electrical installations, MASTER ELECTRICIAN'S REVIEW: BASED ON THE NATIONAL ELECTRICAL CODE(R) 2011 will provide...
