Yearling. Paperback. Book Condition: New. Paperback. 112 pages. Dimensions: 7.4in. x 5.1in. x 0.4in. Heres the first book in the hilarious Moxy Maxwell series, which includes Moxy Maxwell Does Not Love Writing Thank-you Notes and Moxy Maxwell Does Not Love Practicing the Piano. It wasnt as if Moxy hadnt tried to do her summer reading. She and Stuart Little had been inseparable all summer, like best friends. If Stuart Little wasnt in her backpack, it was in her lap . . . or holding up the coffee table . . . or getting splashed when Moxy went swimming. But now its the end of Augustthe day before fourth grade. And if Moxy doesnt read all of Stuart Little immediately, there are going to be consequences. It may look like Moxy is doing nothing, but actually she is very busy with a zillion highly crucial thingslike cleaning up her room (sort of) and training her dog and taking a much-needed rest in the hammock. Just look at the pictures her twin brother Mark takes to document it alltheyre scattered throughoutand youll see why its so difficult to make time for a book about a mouse. Of course our heroine does manage to finish her book, falling so in love with it that she finds herself reading under the covers with a flashlight, late into the night. From the Hardcover edition. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
