The Tabernacle was full of symbols, types, pictures, and shadows that point to spiritual truths for the believer. The symbolism of the Tabernacle is significant, very significant. However in looking at symbolic meanings, we must allow the Bible to speak for itself and allow scripture to interprets scripture. The Holy Spirit is our guide, just as He was the guide in the construction of this magnificent building. Gods holy spirit inspired moses to write everything down that gods people would need in order to know how god wanted to be approached and worshipped. The Tabernacle and its priesthood were teaching tools for more than 500 years. Israel had to settle for an imperfect Tabernacle that was made with human hands. The believer today has a much better perspective of our redemption that was spelled out in the Tabernacle. The spiritual has come to fulfill the natural. We are no longer limited to the mere shadow of the Tabernacle and its priesthood; we have the reality of the Tabernacles message - the very Person to whom the Tabernacle pointed - THE LORD JESUS CHRIST, This book covers the Tabernacle of Moses in complete detail, from the colors of the materials to the baking of the Showbread. It is one of the most complete study of The Tabernacle of Moses. This item ships from La Vergne, TN. Paperback.
