For three years, Jynxx Davison has been trying to hunt down his beloved Kacea. Leading the first colony of Ulven has proven to be too much for him without her by his side, especially since Othernaturals the world over have been exposed to human society. His tracking finally turns up a lead, at a tiny gas station in Kansas. The station attendant is more than just a pretty country girl, surprising and attacking the unsuspecting werewolf king. Captured and hopeless, Jynxx must compromise his morals and give up his tender memories to survive. Working with a fellow hunden captive named Red, Jynxx becomes a vigilante on the tight leash held by the Clan of Anubis. Helping enact their agenda to reduce the human population and restore order to Nature, Jynxx and Red cut through their marks without mercy. But when their leader, the Jackal, sends him off on a search and seizure mission, has his heart frozen enough that he can turn his frightened ward over to his own tormentors?.
