Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

AA PUBLISHING, United Kingdom, 2009. Hardback. Book Condition: New. 276 x 258 mm. Language: English . Brand New Book. This is the first in a new series of highly illustrated books that take a nostalgic look at life in the 20th-century, On Holiday explores where we stayed, what we wore, where we went, how we got there and what we did while on holiday in days gone by. Accompanied by text written by best-selling Antiques Roadshow expert Paul Atterbury and using predominantly amateur photographs from family albums alongside postcards, publicity material and a range of ephemera from the Edwardian era to the 1970s, On Holiday offers a delightfully evocative snapshot of holiday life in 20th-century Britain.
