Brookmans Books, United Kingdom, 2014. Paperback. Book Condition: New. 198 x 130 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.SECRETS. LIES. CHOICES. When a pharmaceutical company hires Brody Taylor, elite hacker and social engineer, to fortify their digital-defences against a Chinese blackhat cyberattack, Brody stumbles across a secret the company strives to keep under wraps. In his private life, Brody has social engineered a beautiful French animal rights activist into becoming his new girlfriend. But as he unexpectedly falls head-over-heels with Mel, Brody realises he has trapped himself in a set of lies of his own making. Will Brody break his contract and expose the pharmaceutical company s secret, especially when he knows it could save his relationship with Mel? Or will he remain professional and risk losing everything? SOCIAL ENGINEER is a short 60-page standalone novella that can be read in under two hours! What readers say about Social Engineer: My God, is no one safe nowadays? It is truly terrifying. Nicely written, excellent read. It grabbed me at the beginning and didn t let go till the end. Overall a top book ! Really makes you think about what you post on Social Media!! Clever use of time shifts to differentiate between the two stories going on.
