## A BEND IN THE RIVER

Pan MacMillan, United Kingdom, 2011. Paperback. Book Condition: New. 196 x 130 mm. Language: English . Brand New Book. Brilliant and terrifying Observer Set in an unnamed African country, the book is narrated by Salim, a young man from an Indian family of traders long resident on the coast. He believes The world is what it is; men who are nothing, who allow themselves to become nothing, have no place in it. So he has taken the initiative; left the coast; acquired his own shop in a small, growing city in the continent s remote interior and is selling sundries -- little more than this and that, really -- to the natives. This spot, this bend in the river , is a microcosm of post-colonial Africa at the time of Independence: a scene of chaos, violent change, warring tribes, ignorance, isolation and poverty. And from this rich landscape emerges one of the author s most potent works -- a truly moving story of historical upheaval and social breakdown. Naipaul has fashioned a work of intense imaginative force. It is a haunting creation, rich with incident and human bafflement, played out in an immense detail of landscape rendered with a poignant brilliance. Elizabeth Hardwick Always a master of fictional landscape, Naipaul here shows, in his variety of human examples and in his search for underlying social causes, a Tolstoyan spirit John Updike.
