Alphascript Publishing Dez 2009, 2009. Taschenbuch. Book Condition: Neu. 220x150x10 mm. Neuware - Jaws is a 1975 American horror/thriller film directed by Steven Spielberg and based on Peter Benchley's novel of the same name. The police chief of Amity Island, a fictional summer resort town, tries to protect beachgoers from a giant great white shark by closing the beach, only to be overruled by the town council, which wants the beach to remain open to draw a profit from tourists during the summer season. After several attacks, the police chief enlists the help of a marine biologist and a professional shark hunter. Roy Scheider stars as police chief Martin Brody, Richard Dreyfuss as marine biologist Matt Hooper, Robert Shaw as shark hunter Quint, Murray Hamilton as the Mayor of Amity Island, and Lorraine Gary as Brody's wife, Ellen. Jaws is regarded as a watershed film in motion picture history, the father of the summer blockbuster movie and one of the first 'high concept' films. 168 pp. Englisch.
