

Junior High Ministry: A Guide to Early Adolescence for Youth Workers

Filesize: 7.48 MB

Reviews

The publication is easy in read through better to recognize. It usually will not cost too much. You wont feel monotony at whenever you want of the time (that's what catalogs are for concerning when you question me).

Zondervan/Youth Specialties. Paperback. Book Condition: New. Paperback. 224 pages. Dimensions: 7.9in. x 5.3in. x 0.6in. Rowdy, restless, silly, out of control, moody, vulgar, disrespectful, unpredictable -- this may be the junior high stereotype, writes youth ministry expert Wayne Rice. But early adolescents enthusiasm, loyalty, energy, candidness, and willingness to learn -- these more than compensate for the well-publicized hazards of working with middle schoolers. In this edition of Junior High Ministry -- updated and expanded to reflect the realities of middle school ministry at the turn of the century -- the cofounder of Youth Specialties takes a comprehensive look at the early adolescent experience: - A case for junior high ministry -- and what it takes to work effectively with junior highers. - New material of turn-of-the-century trends in the youth culture -- and on programming for kids living in this culture. - A chapter each on the five pivotal areas of development -- physical, social, intellectual, psycho-emotional, and faith -- among junior highers. - Altogether new chapters on parental involvement and mentoring in the context of junior high ministry . . . all topped off with 50 creative and practical ideas -- fun and games, Bible study openers, mixers, entire events -- that are tailored for junior highers in Sunday school, the youth room, or your living room. Whether youre training for youth work or a trainer of youth workers, Junior High Ministry will keep finding its dog-eared way to the top of your most used resources. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
