Createspace, United States, 2013. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****. Army Techniques Publication (ATP) 3-39.12 is aligned with Field Manual (FM) 3-39, the Military Police Corps Regiment's operational doctrine, and Army Tactics, Techniques, and Procedures (ATTP) 3-39.10. It is intended as a guide and toolkit for military police investigators, USACIDC special agents (SAs), and military police Soldiers conducting law enforcement (LE) and LE investigations. It also serves to educate military police commanders and staff on LE investigations capabilities, enabling a more thorough understanding of those capabilities. This increased understanding facilitates staff planning, resource allocation, and the ability to articulate LE investigative capabilities and requirements to supported commanders and organizations. The principal audience for ATP 3-39.12 is Army military police personnel, which include Department of the Army (DA) civilian police, conducting LE investigation activities while assigned to military police brigades, battalions, companies, detachments, United States (U.S.) Army Criminal Investigation Command (USACIDC) elements, military police platoons supporting brigade combat teams, and Provost Marshal (PM) staffs. The manual also provides military police commanders and staffs with a framework and understanding of LE investigations and investigative capabilities that support decisive action....
