

# **Evolutionary Creation: A Christian Approach to Evolution**

By Denis O Lamoureux

Wipf Stock Publishers, United States, 2008. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Description: In this provocative book, evolutionist and evangelical Christian Denis O. Lamoureux proposes an approach to origins that moves beyond the evolution-versus-creation debate. Arguing for an intimate relationship between the Book of God's Words and the Book of God's Works, he presents evolutionary creation--a position that asserts that the Father, Son, and Holy Spirit created the universe and life through an ordained and sustained evolutionary process. This view of origins affirms intelligent design and the belief that beauty, complexity, and functionality in nature reflect the mind of God. Lamoureux also challenges the popular Christian assumption that the Holy Spirit revealed scientific and historical facts in the opening chapters of the Bible. He contends that Scripture features an ancient understanding of origins that functions as a vessel to deliver inerrant and infallible messages of faith. Lamoureux shares his personal story and his struggle in coming to terms with evolution and Christianity. Like many, he lost his boyhood faith at university in classes on evolutionary biology. After graduation, he experienced a born-again conversion and then embraced...

## Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
