NOTICING LAZARUS AT OUR DOOR

Xlibris, United States, 2007. Paperback. Book Condition: New. 226 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.A Just Immigration Law, An Impossible Dream? After the November 2006 elections, there was hope that the new Democratic controlled Congress would join with President Bush to give the country a bipartisan and fair immigration bill. However, a New York Times editorial wondered if political interests were stronger than the will of our government to do what is right for immigrants and the country as a whole: Immigration remains a high-voltage issue that Congress may be too timid or distracted to touch. 16 Unhappily the editorial proved to be accurate. The U.S. Senate defeated the legislation in July, 2007. Immigrants and their supporters are not marching and demonstrating with the same fervor and sense of empowerment in 2007 as in 2006. However, we are learning a lesson from the loss in the Senate. We will continue to plan, gather resources, take action, and challenge both federal and local governments to recognize the positive contributions of immigrants, both documented and undocumented, to the greatness of our country. The goal of undocumented immigrants and their supporters continues to be a joint bill of the Senate and the House that offers a clear path to residency and citizenship for most immigrants without papers. The McCain-Kennedy bill (S.R. 2611) referred to earned legalization, rather than amnesty. Whatever a just resolution to the immigration debate is called, immigrants themselves must continue to pressure Congress and the White House to come up with a process that will legalize their presence in this country. With regards the Senate, I contacted the office of Senator Edward Kennedy several times. His legislative aids were helpful. Senator John McCain, because of his presidential campaign, left the sponsorship of...
